

Addenda Capital adapts to the evolution of COVID-19

Since the beginning of the pandemic, Addenda Capital has remained attentive to the evolution of the situation and has taken the necessary measures for the health and well-being of its employees, clients and business partners. For this reason and in order to help reduce the spread, we are now teleworking. Rest assured that we have put everything in place to be fully functional remotely and to maintain the same level of service to our clients.

We are here for you and remain at your disposal.

If you have any questions, we invite you to contact us at info@addendacapital.com.
